

EXPERIENCE PASS® ONE

Pass One's mobile technology unlocks your potential to reach an even wider audience and find new fans. Through text message, email, or social media, fans can purchase single-event tickets in three easy steps.

As the sales come in, you're able to build a targeted list and keep the conversation going with notifications about future events. Fill your seats as you give fans easy access to single-event ticketing.

PACK THE HOUSE

Give your fans options to choose between price points and/or areas of your venue, or keep it simple with a single offer that lets you fill seats as needed.

ATTRACT YOUR AUDIENCE

Attract new fans and reach existing fans where they are via text, email, or social with an easy, three-step purchase process.

TARGET KEY FAN GROUPS

Reach specific fan groups such as students, corporate partners, or waitlists with tailored offers. And with email authentication, you can validate a fan's access to those specific offers.

EXPERIENCE

Experience's ticketing technology empowers professional sports teams and live entertainment venues to unlock inventory opportunities, amplify the value of every ticket, and give fans better experiences through ticketing flexibility and subscriptions.
